## Sport

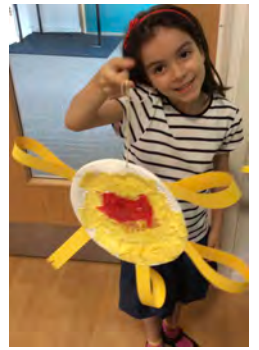

We kicked off the week with JustforKickz Football Academy. Sports Coaches Mark Saunders and Frankie Williams taught the children to develop their dribbling, passing and shooting skills.

Making full use of the good weather, every sports session was held outside this week. The children enjoyed a variety of activities including parachute games, javelin, bench ball and basketball.

## Art

Following a football theme the children created football nets, finger puppet players and kit designs. Using mixed media and Ms Forster's old CDs (what are they?!) the children made some rather fabulous disco fish. Highlights in art this week include paper plate suns and ice cream cones! (Sadly with tissue paper NOT real ice cream...sorry kids.)

## Waiting in goal...

## "Look! Baby geese!"

## Olympic Park Trip

Ms Forster's *fitbit* clocked a total of 16,382 steps! The children walked a long way, exploring the park and playing. The hot summer sun beating down on us, we splashed about in the water to cool down.

Please check our Facebook page for more photos of the week
