Sport

We had a lot of fun in sport mastering our skills in hula hopping and skipping, the younger children worked on their coordination skills. They also enjoyed playing cricket and hockey. The children played squash and croquet which facilitates their co-ordination. We had an amazing time remastering techniques learned in other sports such as tennis, badminton, football and basketball.

Go-Kart Party!

Art

We had great fun making our own paper traffic lights and amazing 3D hot air balloons using colored card strips for the balloon. The children also made fantastic planes using pegs. They painted high speed race cars and bright colourful submarine collages.

Helter Skelter fun

"All aboard!"

Cable Cars and Clipper Trip

On Friday, we took in a bird's eye view of London as we travelled on the cable cars from Royal Victoria. We could see so many iconic buildings and structures like the Thames Barrier, the O2 and Canary Wharf. After we landed, the Thames Clipper boat sailed us back from North Greenwich to Greenwich.

We found a Helter Skelter and Carousel, with just enough time for a ride before we headed back to Camp for lunch. What another adventure packed week at Camp Canary!

We will not share photos of your child without your permission.
