

Dear Parents/Carers

Happy New Year 2019! I'm sure it will be another busy year and I hope it brings lots of joy and happiness to you and your families. We have absolutely *loved* having your children with us this Christmas holiday, they truly have been yet another wonderful group to spend time with. We finished the Christmas holidays with a futuristic UV Glow party, launching us into 2019 in style.

**Guest Tutor**

Luckily for us, the fabulous dance maestro Lisa McNeill led a morning of 'Dance through the Decades' workshops today. Lisa is a fully trained dance teacher and loves teaching all sorts of styles. The children learned to hand jive and even managed to dance the Charleston! Thank you Lisa, and all the team for your energy and enthusiasm.

**Art**

We experimented with neon colours, puffy paint, 3D collage and ocean-like Matisse shapes. The Kidz group enjoyed making their cupcakes, it's a shame they can't eat them! Here's this week's gallery:

## Sport

Parachute games, outdoor play, speed stacking, target practice and dancing through the decades into 2019. What have we learned this week? We've learned that Kick Ball is like Rounders but you use your feet! And we've learnt that you can fit MANY, MANY children into one hoop. A big thank you to Ms. Jackson for leading such fun games and teaching the children new skills.
