

Dear Parents/Carers

This week, it wasn't just the weather that broke records. The children competed in a record breaking sports day, created art work of record breaking animals and places and jumped as high as they could in Jump Jam dance aerobics.

The children and staff coped really well in the extreme heat and we cooled down with ice lollies and water play. It didn't stop us having a lot of fun, but we were thankful for the rain at the end of the week!

Record Breaking Sports Day

The fastest 100m egg and spoon race was completed by Sally Pearson of Australia in a speedy 16.59 seconds. The rules are you cannot touch the egg or drop the egg. The children attempted to break that record along with the fastest 100m hula hooping race. Sofia Goncalves, a professional circus skills entertainer challenged the children to break their own circus skills records!

IF YOU DON'T LIKE SUMMER

School is out and summer camps start
And older people feel younger at heart
And even at night it's warm and lazy
If you don't like summer you must be crazy

Swim in the pool, eat some ice cream
Stare at the clouds, get lost in a dream
Spin in circles until your brain is hazy
If you don't like summer you must be crazy

Go to the beach and build a castle
Or you and your friend in the sand can wrastle
Lie on the green grass, make a chain with a daisy
If you don't like summer you must be crazy

Choose...

Club Cafe

Human Hungry Hungry Hippos

Slime Making

Mini Chefs

My favourite choice activity this week was Sana Khan's Club Café. The children entered a café, sat down and read a menu. Sana taught them how to wait on tables, take orders and introduce themselves to their customers. Human Hungry Hungry Hippos is always a smash hit of hilarious fun, it seems slime making will never go out of fashion and everybody loves Mini Chefs! Vegetarian nachos this week, very tasty if I do say so myself.

Have a go at home

★ Fastest 100 m on a space hopper

Title holder: Ashrita Furman (USA) and Ali Spagnola (USA)
Record to beat: Male=30.2 sec, female=38.22 sec
Rules: Bounce as quickly as you can

If it's a nice day outside, there's no reason to stay cooped up indoors because there are hundreds of record-worthy activities you can do in your own garden. You can train for records on your trampoline, pogo stick, with a soccer ball and even a frisbee. If you'd like to officially apply for one of these records, click the link underneath to start an application and receive a full set of guidelines, or visit guinnessworldrecords.com.

Record breaking Jump Jam! | Bounce-athon

Lisa McNeil dared the children to jump as high as her in our huge, flash mob, Jump Jam Aerobics challenge. We certainly broke a Camp Canary record of having the most children and adults doing Jump Jam at once! As ever, the children loved bouncing on our soft play park and bouncy castle to finish the week.
