

Dear Parents/Carers

Do your children know what to do in an emergency?

This week we've explored the theme of '999 Emergency Response' looking at all sorts of people and agencies who help us. From paramedics to detectives, we've had a lot of fun but also learned life saving skills. At the end of the week, the staff worked incredibly hard to turn the hall into an Emergency Services Role Play bonanza. The children could become police, fire fighters, doctors, vets, soldiers and construction workers.

MINI FIRST AID

Mini First Aid taught the children what to do in an emergency including the two most vital lessons; know your address and know to call 999. The younger children bandaged up and applied ice packs to teddy bears whilst the Junior group learned CPR using resuscitating dummies.

Obstacle Courses

With the wet weather, we used the sports hall to create fun obstacles courses and the children loved exciting challenges.

Cops and Robbers

The Kidz group LOVED this game! The aim of the game is for the robbers to collect all of the 'money' and for the cops to prevent them!

Relay Races

The Junior group played lots of sports day style relay races this week including egg and spoon.

Can you come up with a human body themed word for each letter of the alphabet?

The children learned how to dust for fingerprints and take fingerprints! The Early Years children loved playing in our emergency services role play hall and the pop up gaming arcade was a huge hit with the Junior group.
