Awesome Autumn

## NATURE WALKS

We took advantage of the lovely autumn weather this week to go on some nature walks. Younger children collected sticks & leaves, and older ones practised drawing trees and built a den.

## STAFF SHOUTOUT: LEWIS BRUNIGES

We welcomed new staff member Lewis to the team this week. Lewis worked with our new Juniors A group as well as teaching Drama and running Early Club, and was a hit with the kids!

# MY SHADOW & ME

Drew Colby returned to Camp Canary on Wednesday to wow us with the incredible art he makes with only his hands and lights.

A portrait of Emily Lee, a woman with long dark hair, smiling. She is wearing a white t-shirt with small black polka dots. The background is a textured, stone-like wall.

## STAFF SHOUTOUT: EMILY LEE

New staff member Emily Lee has made our new Reception children feel right at home in the Early Years Room. She worked alongside Wendy Constable, who first came to Camp Canary over the summer. Thanks for your Emily, and welcome to the team!

## VISIT FROM OFSTED

We had our OFSTED inspection this week. Full details will be available when the report is published, but here's a little sneak peek...

"The opportunity to choose their activities helps children feel empowered"

"I was surprised at how settled the Early Years children were, considering they had only attended the club for two days. They were calm and relaxed and felt confident speaking to staff."

# ROBIN HOOD RESCUES THE FOREST

We were thrilled to welcome Aesop's Theatre Company with their show about Robin Hood and saving the environment.
