

Sport

Kinball was a huge hit with the Juniors this week, the goal of the game sounds simple; to catch and control the ball before it touches the ground, the huge inflatable ball caused many laughter and giggles all throughout the game. Camp Kidz loved the challenges put forward during the Obstacles Races and the Mini Olympics they persevered and they were all very proud of themselves!

Art

Camp Kidz and Juniors created eye catching Street Art, some of the activities included stencilling, tape resist art, spray painting, chalk painting and zentangles! The children loved creating colourful tag graffiti and creating their own cities.

Bambini Ballroom| Hip Hop and Cha Cha Cha

We had the talented Bree teach the Bambibis the Ballroom Funk- a fusion of hip hop and the cha cha cha. Both Camp Kidz and Juniors were very engaged and learnt an amazing routine which they performed to their friends.
